

RSA LIQUI-PHOS

8-32-5 Liquid Fertilizer

GUARANTEED MINIMUM ANALYSIS

Total Nitrogen (N)	8.00%
Available Phosphoric Acid (P ₂ O ₅)	32.00%
Soluble Potash (K ₂ O)	5.00%
Iron (Fe) Chelated actual	0.10%
EDTA	0.068%
Zinc (Zn) Chelated actual	0.05%
EDTA	0.030%
Derived from: Ammonium Phosphate, Phosphoric Acid, Potassium Phosphate, Iron and Zinc EDTA	

GENERAL INFORMATION

RSA LIQUI-PHOS is a liquid fertilizer developed for applications directly to plant foliage to correct nutrient deficiencies and maintain healthy growth. **RSA LIQUI-PHOS** can also be applied to the soil in a band, as a side-dress, and as a starter fertilizer. **RSA LIQUI-PHOS** is compatible with most pesticides and liquid fertilizers except those with low pH.

NOTE: Only minor amounts of nutrients applied to foliage or seed are absorbed by plants. Foliar and seed treatments therefore supply only a portion of the three major nutrients (nitrogen, phosphorus and potash) required for successful crop production. This product is recommended only for use as a supplementary source of plant nutrients to a basic fertilizer program that relates to the fertility level of the soil.

CAUTION - this fertilizer contains zinc and iron, and should be used only as recommended, it may prove harmful when misused.

DIRECTIONS FOR USE:

RSA LIQUI-PHOS may be used as a foliar feed, soil applied or as a starter fertilizer with seed or transplants. The usual carrier is water or a compatible liquid fertilizer.

SOIL AND SIDE-DRESS APPLICATIONS:

SOIL: Apply 10 to 50 litres per Hectare. **RSA LIQUI-PHOS** can be applied preplant or at planting.

SIDE-DRESS: Apply 10 to 50 Litres per hectare at planting or within 4 weeks after planting.

FOLIAR APPLICATIONS:

A wetting agent or spreader should be used when applying **RSA LIQUI-PHOS** as a foliar spray. Use recommended amounts of **RSA LIQUI-PHOS** in at least 50 litres of spray solution per Hectare for aerial equipment and/or 200 litres of the final spray solution for ground application equipment. Avoid foliar applications of this product when plants are under moisture stress. Immediate post-irrigation or post-rainfall applications give best foliar uptake of nutrients. Avoid periods of high temperatures or low humidity.

VEGETABLE CROPS: Potatoes, Beans, Peas. **HORTICULTURAL CROPS:** Deciduous fruits, Berries. **TURF AND ORNAMENTALS:** Gardens, Shrubs, Lawns.

Apply 2.5 to 10 litres per Hectare, (1 to 4 Quarts per acre) in sufficient water for good coverage to growing foliage every two weeks, or contact your agricultural specialist for specific information.

COMPATIBILITY:

RSA LIQUI-PHOS is compatible with most commonly used pesticides. In all cases, it is recommended that a jar test be made to determine compatibility of **RSA LIQUI-PHOS** with other materials before proceeding with high volume mixing.

RSA LIQUI PHOS 8-32-5

- In case of insufficient ventilation, wear suitable respiratory equipment
- Wear suitable gloves
- Wear suitable protective clothing.
- Wear eye/face protection.
- Do not breathe dust.
- Avoid contact with eyes.
- Avoid prolonged and repeated contact with skin.

FIRST AID MEASURES Immediately flush skin or eyes with running water for at least 15 minutes, in case of contact with material. Remove contaminated clothing and shoes. In case of accident or if you feel ill, seek medical advice immediately.

MSDS AVAILABLE

- *En cas de ventilation insuffisante, se protéger au moyen d'un appareil respiratoire approprié.*
- *Porter des gants appropriés.*
- *Porter un appareil de protection pour les yeux et le visage.*
- *Porter un vêtement de protection approprié.*
- *Eviter de respirer les poussières.*
- *Eviter le contact avec les yeux.*
- *Eviter tout contact prolongé ou répété avec la peau*

PREMIER SOINS

*En cas de contact avec la peau ou les yeux, laver immédiatement à l'eau, couramment pendant au moins 15 minutes.
Oter les vêtements et les souliers souillés.*

En cas d'accident ou de sensation de malaise, consulter immédiatement un médecin.

Net Volume: 18.9 Liters - 4.16 Imp. Gallons – 5 US Gallons

Net Weight: 27.44 kg (60.5 lbs.)
