

MANGANESE SULFATE MONOHYDRATE MAXI - GRANULAR

GUARANTEED ANALYSIS

Sulfur (S)	18.5%
18.5% Combined Sulfur (S)	
Manganese (Mn)	32.0%
32.0% Water Soluble Manganese (Mn)	
Derived from Manganese Sulfate Monohydrate	

Directions for Use: This product is only to be used in blending fertilizers to correct manganese deficiencies, as determined by foliar and soil testing in field crops as recommended by an agricultural representative or professional agricultural consultant.

General Recommendations:

Minor Deficiencies	2-4 lbs Mn SO ₄ per acre
Moderate Deficiencies	5-7 lbs Mn SO ₄ per acre
Severe Deficiencies	8-12 lbs Mn SO ₄ per acre

Caution: This fertilizer contains manganese and should be used only as recommended. It may prove harmful when misused. May be harmful if inhaled, causes irritation, avoid breathing dust, avoid contact with eyes, avoid prolonged or repeated contact with skin, use with adequate ventilation, keep out of the reach of children, wash thoroughly after handling.

First Aid: In case of contact, immediately flush eyes with plenty of water for at least 15 minutes. Call a physician. Wash clothing before reuse. In case of irritation of eyes, nose, and throat, remove from exposure, treat symptomatically, and call a physician if symptoms persist.

Other: For additional information about this product please consult the material safety data sheet. Chemicals known to the State of California to cause cancer, birth defects, or other reproductive harm, occur naturally in all mineral based micronutrients. Some of these chemicals are found in this product in small amounts. However, the magnitude of exposure from these compounds in Manganese Sulfate is below the PEL's for these elements when the product is used under normal conditions.

ENVIRONMENTAL HAZARDS: If product is spilled, comply with Federal, State and local regulations on reporting spills. Refer to RSA Material Safety Sheet for further details.

For additional information about this product please consult the material safety data sheet. Information regarding the contents and levels of metals in this product is available on the internet at: <http://www.regulatory-info-rsa.com>

PROPOSITION 65 WARNING: **WARNING:** This product may contain chemicals known to the State of California to cause cancer, birth defects or other reproductive harm.

NOTICE: Seller warrants that this product conforms to its chemical description and is reasonably fit for the purpose stated on the label when used in accordance with directions under normal condition of use. Seller makes no warranties of merchantability or fitness for a particular purpose or any other express or implied warranty except as stated above. Under no circumstances will such warranty extend to the use, storage or handling of this product contrary to the label instructions or under abnormal conditions or under conditions not reasonably foreseeable to seller. The buyer shall assume all such risks of such use, including but not limited to crop injury, ineffectiveness, damage to plants, damage caused by drift to other plants or crops, personal injury or other unintended consequences. These consequences may result because of such factors as weather conditions, presence of other materials, or the manner of use or application, all of which are beyond the control of the seller. In no case shall RSA MicroTech, LLC be liable for consequential, special or indirect damages resulting from the use or handling of this product.
